Step 2:

On your mobile device, open the App Store or Google Play and search for the SageLink Credit Union App.

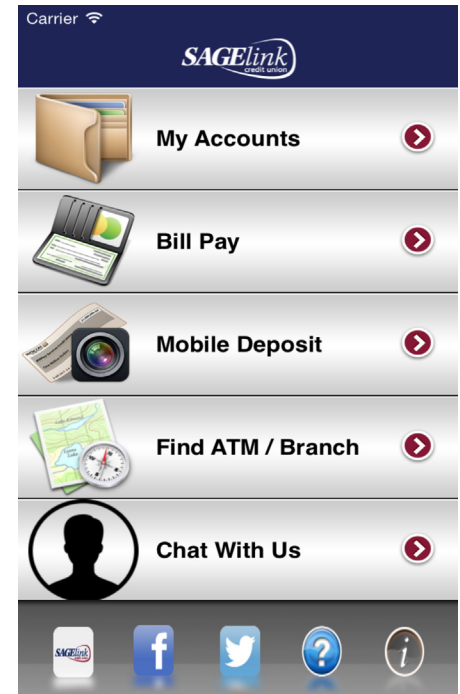

Step 3:

Once the download is complete, you will log on to Mobile Banking using the same login and password you use for Home Banking.

Step 4:

Follow the instructions on setting up your account and enjoy!

Services available through the mobile app include:

- View your account
- Transfer funds
- Make a SageLink loan payment
- Pay bills (must enroll through Home Banking site)
- Make deposits
- Chat with the Member Support Center
- Connect with SageLink on social media

FREQUENTLY ASKED QUESTIONS...

Do I need to be a member of SageLink Credit Union to use the app?

Yes! For more information on how to become a member, please visit www.sagelinkcu.com.

Do I need to be an active user of client online banking to use the app?

Yes! Client mobile banking is integrated with SageLink Home Banking. If you are not registered for Home Banking, please go to www.sagelinkcu.com, and click on Home Banking to enroll your account.

What does client's WAP App do?

You can view your accounts, transaction history, and check images. You can also transfer funds between your different share accounts, other member accounts, and use the App to find a nearby ATM.

Is the client's WAP App secure?

Yes! We use SSL encryption to communicate securely with all services. We always use state of the art security measures to protect your data, no matter how you choose to access your accounts.
